

**Bringing Integrated Health Solutions to San Fernando.**

Victoria Clinic combines the best of both worlds in the medical field bringing a holistic approach to treatment through alternative & traditional medicine. We are excited to be able to bring this integrated approach to the communities in south Trinidad.

Over the years we have provided our patients with effective solutions to their health care needs in the most comfortable and pleasing environment ensuring that respect & privacy are always our priority.

**Our Extensive Range of Services Include:**

- + Medical Consultations
- + Bone Density Testing
- + Custom Herbal Supplements
- + Traditional Chinese Medicine
- + Audiometry Screening
- + Food Badges
- + Executive Medicals
- + Acupuncture

**OGUK Medical Assessments**

Victoria Clinic is also a certified provider of OGUK medical assessments that are required by the Oil and Gas industry to ensure an individual's fitness to work within their environment. This is mandatory OSHA requirement that every offshore worker must undergo and pass.
